

LINES FROM LANGLEY PREPARATORY SCHOOL & NURSERY

Issue No 260

14 May 2010

EDITORIAL

Open Morning / Activity Morning

What a stunning success! As I drove in through the drizzle with my car heater on I had a sinking feeling that no one would turn up; how wrong could I be? Our first visitor turned up at 8.45am from Kent, and after that we had a queue at the door for the rest of the morning. We ended up with 50 sets of parents looking round the school and 28 visitors to the Activity Morning. The Y5 & 6 guides from both schools were outstanding and all of the visitors commented on how good they were.

News on the Merger

Meetings for next year's Co-ordinators are now taking place on a two weekly basis, and we will be having our first joint meeting for all staff of the new school, this evening, at Thorpe House. Our first priority is to look at the schemes of work that the children are currently working to, and to put together a curriculum that will meet the needs of all the children from September. We will also be looking at resources that are available at the two school, how these will best be utilised and to come up with a list of books and equipment that will need to be ordered for next year. Once these issues have been resolved, we will be looking at the children in each year group and in those year groups where there are two classes, to begin to sort the children into forms. More news of this will follow in due course. We will also be looking for more opportunities for our children to join together for activities and lessons.

Cricket

Our next set of cricket matches are on Wednesday against St.Felix School. Team lists are elsewhere in Lines, but please note that the U9's are away and will not return to school before 4.45pm. The U11's are at home and will be playing on New Field; this match will probably go on till about 4.00pm.

Lines from Langley

My thanks to Mrs Banham who has taken on the arduous job of compiling lines from Langley. I do not make it easy by leaving my contribution until the very last minute!

NURSERY NEWS

As usual the children have had a very busy time in Nursery. Those who will be joining Reception class in

September now see Mrs Nicholls/Mrs Leggitt for a weekly session so they can get to know each other.

The letter of the week in Upper Nursery will be 'z' so a further challenge for you to find things together

beginning with that sound. Lower Nursery will continue to base activities around the lovely story 'Hungry Harry' by Joanne Partis.

Most of the children enjoy mini-beasts so next week we will go on a hunt for them in the school grounds.
