

# LINES FROM LANGLEY PREPARATORY SCHOOL & NURSERY

Issue No 254

5 March 2010

## EDITORIAL

**Burston Drum** - Any of those of you who took the opportunity to see The Burston Drum last week will be glad that you made the effort. It was an outstanding performance and I would like to congratulate the four LPS pupils that took part. Joel Lodge and James Hubbard were excellent as the only boys in the production with two of the largest parts. Elizabeth Chapman and Scarlett Plaster were also impressive as rather unpleasant ladies!

**Parents Consultation Week** - Form teachers will have given you the opportunity to book an appointment to see them to get feedback on the progress of your child in all subjects. There will be no Form teacher report at the end of this term.

**Summer Term** - We have been busy planning the summer term and this week trip slips for the various trips that we have planned will go out with Lines. Next Monday we will be issuing summer term Activity details – choices for Activities should be back with Ali by Monday 15<sup>th</sup> March.

**World Maths Day** - My thanks go to our Maths Co-ordinators, Miss Holmes and Mrs Wynne for setting the day up, and to Mr Jackson for organising access to the ICT Room from early in the day until late in the evening. All the children enjoyed challenging child mathematicians from around the world!

**World Book Day** - Who would organise World Book Day the day after World Maths Day? My thanks go to Mrs Nichols and Mrs Pimlott for organising such an original day. The overnight visit of a destructive giant and the subsequent visit by the CSI (Curious Scene Intelligence – the underground secret service), stimulated some creative thinking, writing and building that went right through the day. The children's work will be on display in the Hall next Friday (12<sup>th</sup>) at 3.30pm.

### Invitation Cross Country – U7 / U9 / U11 Boys and Girls

## NURSERY NEWS

It has been a busy week in Nursery. Upper Nursery joined Reception class on a trip to Whittingham Country Park and a lovely day was had by all. Activities included making dream catchers and 'woodland cookies'. Lower Nursery have also been busy making Percy Pig biscuits and building little pig houses. Next week both Upper & Lower Nursery will be focusing their activities around the aspect 'self confidence & self esteem'. Lower Nurseries book of the week will be 'Bear says "Can I have a hug?" whilst Upper Nursery will be moving onto the less 's'. Some of you will have noticed that Holly Frankland has returned to Nursery on a part-time basis - its good to have her back. **Mrs Banham**

**Activities** - The Summer Activities choices will be going home on Monday. The cut off date for these to be returned is **Monday, 15th March 2010** (one week). Please ensure your child's form is returned to avoid disappointment.

## Lost Property

Asit Mull has lost his PSP. He last had it on the trip to London and it is blue in colour. If found please return it to Asit.
